### SALES FEATURES

Perfect for restaurants, cafes, diners, and catered events, the Waring Commercial® Step Up, Double Burner Coffee Warmer ensures there's always plenty of piping hot, fresh coffee on hand. Durable yet lightweight, with wipe-clean stainless steel construction and two individually controlled warmers, it fits easily on any countertop. Just press the toggle switches on to keep coffee at the optimal temperature. Use one burner or both at the same time. The step-up style is ideal for narrow spaces, and with one pot higher than the other, a quick cup of coffee is always easily within reach.
